**Description:**

A PLOT OF LAND TO CONSTRUCT A COUNTRY HOUSE, on the road between Santanyi and Campos in South East Mallorca. The plot has an area of 14385 m2 and has good, easy access, and is in a beautiful and quiet area with PANORAMIC VIEWS. The plot is just one kilometre from the road that leads from Campos to Santanyi. This is an increasingly RARE OPPORTUNITY on Mallorca to purchase a plot of land in a lovely area that will enable you to build a wonderful home. You are able to construct a house to 3% of the land area and 4% in total including covered porches, this would total approximately 570 m2. No plans have been drawn for this project. The plot is in a beautiful area of South East Mallorca just minutes from the coast and one hour from Palma airport.
